Message from the Headteacher

Dear Parents and Carers

What a busy week we have all had!

The children have been working hard all week and I'm sure are getting ready for their holiday.

The children were very excited today as we have a new award, presented by our Site Manager in assembly. The award is for the tidiest classroom and was awarded to 5PD this week. They are celebrating in Golden Time with a special treat. It is fantastic that children are taking so much care over their classrooms and are working all together to ensure we have a safe, clean and uncluttered learning environment.

Thank you for your continued support in helping your children to read. We are waiting for new reading record books which we will be sharing with you through the half term.

School Nutritional Action Group (SNAG)

Last Friday, a group of KS2 Children and Staff volunteered to take part in the first SNAG meeting of the year. The group get together to discuss the schools food culture and then develop and implement an action plan to improve it.

This month's meeting involved talking about growing crops in the school, such as; spinach and lettuce, which can then be used in our Roast Dinner Menu. The children have all been allocated tasks for them to carry out; Batool and Melissa will be monitoring The Lunchtime Gardening Book to check how well crops are growing, Gabriele and Sonnia will be creating a blog on our Food for Life Portal and Kevin and Jaydon have volunteered to write a letter to Ms Holland about possible new growing opportunities and equipment for the school.

The Phantoms Assembly

The Phantoms Assembly was a great success! The Phantoms came to talk about Hockey and healthy eating and living, all the children were keen to show off their knowledge by answering questions and Mackenzie (Year 2) knew exactly what a hockey puck was made out of! The children also enjoyed meeting The Phantoms' Boxer Dog Mascot and watching Miss Graham try on their Hockey Uniform.
