Message from the Headteacher

Dear Parents and Carers,

We have been in School for two weeks, where has the time gone?

All the children have settled into their classes really well. We have all enjoyed getting to know the new children and meeting new parents.

The children looked extremely smart in assembly today and are very proud of their new uniforms. Thank you again for your support in ensuring as many children as possible started School in the new uniform and that ties are being worn. The children are looking forward to a *How to tie your tie* demonstration next week by Mr Dobson in assembly.

Over the last two weeks all the classes have been working really hard and have been completing base line assessments. This will give us all a clear idea of the starting points for all children and a clear focus of the work that needs to be done to ensure they reach their full potential. One of the Schools foci over the next year is to raise outcomes for all pupils and this information will be invaluable in helping us all to achieve this.

This is a very busy time of year for everyone in school so thank you for all your help, support and patience to ensure all the new systems that have been put in place are running smoothly.

Best wishes

Rachael Holland
