## Message from the Headteacher

Dear Parents and Carers

The holidays are here! We cannot believe how fast our first half term as Lime Academy Abbotsmede has gone. Everyone has been very busy and all our books are looking fantastic. The children are looking forward to sharing their work with Parents at Parents evening, which will be after half term. More details about this will be following shortly.

The children have had great fun this week as they have been contributing to a whole school art project based around Remembrance and peace. Every child has had the opportunity to make a poppy out of clay, these will be painted after half term and a fantastic 3D display will be available for all to see in mid November.

On behalf of all the staff at Abbotsmede, we wish you a happy and safe half term. We look forward to seeing you back at school on the 31<sup>st</sup> October.

Rachael Holland

## Secondary School Applications

The deadline to apply for a secondary school application is the 31<sup>st</sup> October. It is very important you apply by the deadline as any applications completed after 31<sup>st</sup> will be treated as a 'late application' and it will be less likely your child will get into their preferred school. Please make sure you take the time now to complete an application as choosing their next school is a very important part of your child's life. To apply, please follow the link below

## Parent Governors, we need you!

Please ensure you read the back of this newsletter if you are interested in becoming a parent governor. This will be an opportunity to work with the school and Lime Trust to help us on our journey of school improvement. We value all the support that we have had from Parents and Carers since September and look forward to working with you in the future.

After half term, children must only wear studded ear-rings, this is to ensure the safety of the children as longer/larger ear-rings are likely to get caught and ripped out during playtime and P.E.
