

ABBOTSMEDE NEWS

Message from the Headteacher

Dear Parents and Carers,

This week the children have demonstrated exemplary behaviour and are beginning to show a clear understanding of the Lime Academy Abbotsmede Values and expectations of behaviour. It is important that we maintain these high expectations of ourselves and the children as we progress throughout the term and beyond.

Next week will see some children receiving a postcard through the Post. Every class teacher will nominate a child from their class who has demonstrated one of our values throughout the week. These values are: - enjoyment, partnership, equality, trust, courage and excellence. The children have talked about these values in assemblies and their classes and are very excited about this idea so I am sure they will have plenty to tell you about them over the weekend.

Each year group has picked one of these values and will be creating an eye catching display. These will be on show at the front of School for everyone to admire.

I would like to thank all parents for their support in travelling around the School whilst scaffolding is present. The roofing works are progressing extremely well and weather permitting will be completed on time. I am sure you will agree this will be worth it as it will make such a big difference to the appearance of the School.

Rachael Holland

To ensure the children's safety and maintain positive relationships with our neighbours, please ensure if you drive to school that you respect the zig zags and yellow lines and give consideration and courtesy to residents and other drivers when you park your car.
