

ABBOTSMEDE NEWS

Message from the Headteacher

Dear Parents and Carers,

It was fantastic to see so many parents at our parent consultation evening this week. The children have been talking about how much they enjoyed being able to share all their work and their classrooms with you.

We have had a wonderful end to our week today. In our celebration assembly today three classes were awarded a cup for achieving 100% attendance. The children were very excited and have tried very hard to achieve this. Thank you to all parents who ensure their children come to School every day. This ensures that they have the best chance to experience success in their learning.

It's with much excitement that I can announce that our School website is now live! Please have a look as we will be adding more information as the year progresses. Any feedback you have on the website please inform the Office.

The building work on the roofs is nearly complete now and has transformed the whole look of the School, I am sure you agree. Thank you to all parents in ensuring that their children were able to enter and leave the building safely during this busy time.

Have a lovely weekend.

Rachael Holland

Our New School Website
