Message from the Headteacher

Dear Parents and Carers

We are over half way through the term. Where does the time go?

Today we have had a professional photographer visiting the School to take some photographs of children whilst they are learning for our new website.

This will be launched in the beginning of November and will be invaluable for us all to use as a communication tool.

Today your child will be bringing home a target sheet. This will give you information about your child's attendance and also give them targets to work on for reading, writing and maths.

We would like to invite all parents in to School on Tuesday 3rd October and Wednesday 4th October between 8.45am and 9.15 am to 'Meet your Child's Teacher'. During this time you will have the opportunity to look at their target books and observe the learning that goes on in their classrooms.

I look forward to seeing as many parents as possible. If you are unable to attend we will be organising more sessions over the year!

Thank you, in advance for your continued support.

Important School Updates

Water Bottles

Please remember that children must bring a water bottle to school so they can stay hydrated throughout the day. Bottles should be clearly labeled with your child's name and class. This will help identify who the water bottle belongs too if it is lost or misplaced.

Secondary School Application

Year 6 Parents will need to apply online for their child/ren's secondary place by 31st October 2017
