## Message from the Headteacher

Dear Parents/Carers,

We kick started this week with some fantastic E-Safety training. The training was provided by Education Child Protection Ltd who specialise in providing training to organisations working with Children and Families. The Children throughout School enjoyed sessions where they learnt about how to keep themselves safe online. Thank you to those parents who attended to gain invaluable information on how to keep children safe online. We are expecting some more resources in the near future which we will be able to share with you in our continued drive to keep children safe.

The Children are continuing to enjoy their new learning and I am sure they will enjoy telling you all about it over the weekend.

As a School we will be looking to develop our curriculum for the next academic year. We have already begun some planning of exciting topics which will enhance the Children's learning opportunities.

Please remember School is closed on Monday 7<sup>th</sup> May for the Bank Holiday. The forecast is looking good, I hope you enjoy the long weekend!

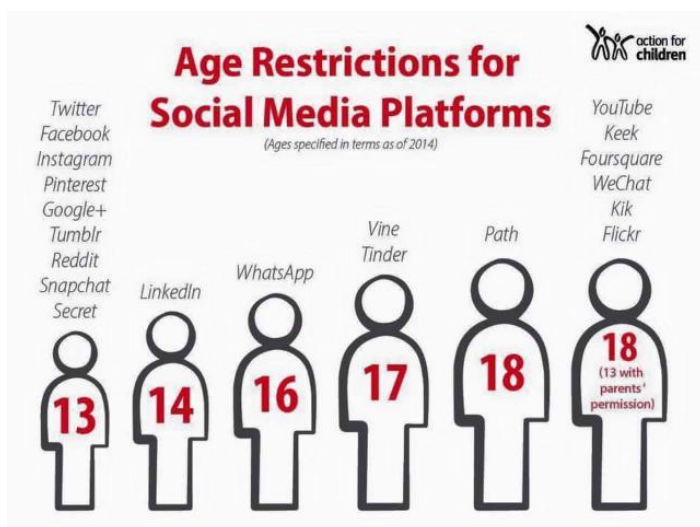

Rachael Holland

Headteacher

## E-Safety

This is a useful website to find out more details and suitability of what your Children are accessing online.

<https://www.net-aware.org.uk/>

## Attendance Congratulations

## Attendance Reminder

Please ensure, where possible, medical appointment information is shared with School prior to the appointment. Thank you for your continued support.

## School Trips

We have a number of exciting trips planned over the coming weeks. Please return permission slips and money to be paid to the School Office. As our weather can be so un-predictable please ensure your Children have suitable outdoor footwear and clothing to suit the conditions, hot or cold!
