## Message from the Headteacher

Dear Parents/Carers,

All staff at School would like to congratulate Year 6 on the fantastic effort and commitment they have shown whilst doing their SATs this week. I am sure they have been telling you all about them. Today they have had a day of 'off curriculum activities' to celebrate all of their hard work.

As you can see from the photographs reception have also had an extremely busy and varied week with a very exciting visitor! Please try to take some time over the weekend to ask them all about it. Speaking and Listening is an extremely important part of the curriculum especially in the early years.

May I remind all parents that we are coming up to half term holiday and School will be closed week beginning Monday 28<sup>th</sup> May. Children are expected to be back in School on Monday 4<sup>th</sup> June. A massive thank you to all the parents for their support in ensuring that their children come to School every day. There is a direct link between good attendance and attainment.

It looks like the weather is improving and it is going to be a lovely weekend, enjoy it with your families.

## Reception Storytelling.

We have had the Rhubarb Theatre in to do a storytelling session. This was an event organised by the Vivacity group and local library. The story "Los and Found" was brought alive through song, story, dance and drama. We were so proud of how the children listened and behaved and hope they all enjoy their new free book.

## Pretty Parrot!

Reception have had a week of visitors! Yesterday Wyatt's Uncle brought in his pet parrot. The children thought of lots of very good questions and we learned about what a parrot likes to eat and how to take care of one. Thank you very much to Wyatt's family for bringing him in. He also went into Nursery to show the afternoon children who were also amazed by this wonderful pet!
