## Message from the Headteacher

Dear Parents/Carers,

We have been in school for 3 weeks. Where has the time gone? The children have been so busy engaging in their learning. I am sure that they would love to tell you all about their week over the weekend.

We are pleased to announce that a variety of after school clubs have started this week, and all the children really enjoyed themselves. These will continue until Christmas. There will be a selection of different clubs on offer starting in January 2019.

We have welcomed staff from Youth Dreams this term. They will be working on Wednesdays and Fridays in school to provide sports coaching for all children. The children have loved all the lessons they have taken part in, and we hope this will give children the opportunity to take part in inter-school competition.

For topics this year children will be following the IPC scheme of work. This gives children the opportunity to discover cross curriculum links through a number of really exciting projects. The topics vary from Transport and Travel to France and the Brain! A detailed medium term plan of what your child will be studying over the year will be available soon on the website. This will mean you can see what your child is going to learn over the whole year. If you feel you have any skills in a particular which will help the children and their learning, please contact any member of staff.

Have a great weekend!

Rachael Holland  
Headteacher

As the weather is beginning to turn please ensure your children have appropriate clothing for the weather. All clothing must be named – this helps us to return lost items to the correct person.
