Lime Trust is an expanding multi-academy trust, with schools in London and Peterborough. The ethos of Lime Trust is to put children first. Our commitment to our staff is to seek out and work with ambitious young leaders, and to provide outstanding Continuous Professional Learning opportunities for all our staff, to help them grow and flourish in an environment of strong support. Lime Trust believes in building capacity and expertise from within. We provide excellent opportunities to our schools through Trust central resources and our school-to-school support programme.

Lime Academy Abbotsmede is currently an inclusive 2 form entry primary school, in the north east of Peterborough. There are currently 454 children on roll from a wide range of backgrounds. The School is a vibrant, multi-cultural community; the children display exemplary behaviour and their desire to learn is evident.

The curriculum we offer aims to prepare and develop children's academic, social and emotional skills, in order that they will achieve their potential in life. "Only Our Best is Good Enough" is a motto that we fully believe in and expect all children, parents and staff to adhere to.

The staff are dedicated to moving the school forward and to improving outcomes for all pupils. All staff work together to ensure that the curriculum we offer is purposeful and memorable for all children. There is a real commitment to accelerate learning and raise standards.
