Message from the Headteacher

Dear Parents/Carers,

Years 3 to 6 have had a very busy week taking part in assessments this week. Initial results are showing that children are making good progress, which is really encouraging for all their future outcomes. Very well done to all the children who have taken part, and shown such a sensible and mature attitude towards these.

Reception have been having great fun making Super Heroes out of potatoes as part of their topic on Super Heroes. I am sure they would love to show off all their hard work and talk about what they have been doing over the weekend.

As Peterborough is the recycling capital of England we have supported this initiative by giving all the children the opportunity to make Christmas decorations out of recycled materials. We will be decorating our school hall with all these decorations. We will hopefully share a photograph of this with you next week. Many thanks to all the families that donated materials for this.

I hope that you all have a lovely weekend.

Earrings in school

Children must only wear stud style earrings. This is to ensure the safety of the children as longer/larger earrings are likely to get caught and ripped out during playtime and P.E.
