## Message from the Headteacher

Dear Parents/Carers,

It's been another fantastic week at Lime Academy Abbotsmede, with some wonderful learning taking place in all year groups.

The Year 6 pupils were really excited about going to London today to visit Kidzania. They will be able to experience what it is like to do a range of jobs/careers and even earn some money along the way! Photos of the visit will be in the newsletter next week.

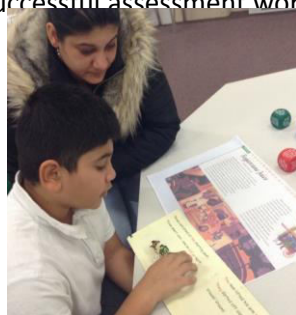

We have had some visitors in School this week. The Police came in to visit Year 1 as part of their 'aspirations' and 'people who help us' topic. They discussed their jobs with the children and they also went to other classes to discuss safety outside of School. As I mentioned in the newsletter last week, if you think your job would be of interest to the children please speak to Year 1 and Year 6 class teachers. It would be fantastic to welcome visitors in to talk about your chosen career.

Have a lovely week!
