Message from the Headteacher

Dear Parents/Carers,

This has been a very busy week and it's flown by because it's only been four days!

A lot of the children have been doing assessments which helps the teachers to plan their future work in order to address the needs of all of the children in their class.

Year 2 have started their SATs exams and Year 6 have been getting ready to take part in their SATs next week. They have worked really hard and shown such a mature attitude, we are very proud of them. They understand that there is a direct link between performance and success in Year 6 to results in their GCSEs and future careers. I am sure that you share our high aspirations for your children and expect them to do their very best at all times.

Have a lovely restful weekend, especially to all of our Year 6 children and Good Luck for next week!

Rachael Holland
Headteacher

Children's Absences and Attendance

Thank you for your continued support in phoning into school when your child is unwell, this must be done on a daily basis for all children. For exceptional circumstances please refer to our policy and procedure to request time off. Please ensure, where possible, medical appointment information is shared with School prior to the appointment. Thank you for your continued support. Please contact Miss Drinnan if you have any queries.

Cashless office

From 4th June the school office will **no longer accept any cash payments**. Parents/carers will need to use ParentMail to pay for school dinners, breakfast and after school clubs and school trips. We recently requested **updated email addresses**, which are required for ParentMail accounts. If you cannot access your ParentMail account, please contact the school office.
