

ABBOTSMEDE NEWS

Message from the Headteacher

Dear Parents/Carers,

We are celebrating today as we have made it to the end of SATs week!

A massive well done to all the children in Year 6 who worked so hard! The papers were challenging and we will await the results which are published on 9th July 2019! We will let you know how they performed in mid - July!

Elsewhere, across the School, children have been enjoying the lovely weather and have been able to do PE and other activities outside and in our middle playground area. We are very fortunate to have some lovely growing areas within our grounds, however these do require a lot of upkeep. If any parent has a particular interest in gardening we would welcome any ideas or help with developing these areas for future, maximum use.

Please remember it is Parents' Evening next week. This is a great opportunity for you to meet your child's class teacher and hear about all the fantastic work they do. The children really enjoy being able to share their work with you. There will be refreshments served and the local PCSO is hoping to attend. He will be available to discuss any issues you may have and offer advice.

Have a lovely weekend.

Rachael Holland

Headteacher

Cashless office

Have you created your ParentMail account?

It is important that our parents register with ParentMail as soon as possible.

Thank you to those parents who have already done so.

Online payments for school dinners will be available shortly. Please check the Newsletter regularly as we will keep you informed.

School Nurse drop in

The school nurse will drop in to our school on Wednesday 22nd May 2019. If you have any health concerns with your child, please book an appointment at the school office.

Attendance Congratulations
