Message from the Headteacher

Dear parents and carers,

We have had another busy week at School!
I have been around the School looking at maths lessons this week and have seen some great activities that the children have been thoroughly engaged in many of the children were using equipment to help them understand new concepts which is always good to see!
I have been presenting a lot of raffle tickets to children for great work or effort over the week and the children are very excited at the amount of Easter eggs in our raffle it is steadily growing. Please encourage them to keep this up as we have a large number of tickets left to be given out before the draw which will be held on Thursday.

Thanks to all the parents who attended the Book Fair, the children love to read new books and were all very excited when they went to have a look at what was on offer. Any reading that the children are able to do in their free time always helps from reading shopping lists and signs in shops to newspapers and comics!
The children are looking forward to welcoming all the mums in this afternoon as part of our Mother's Day celebrations, have a lovely weekend.

Year 5 & 6 football

The sun was shining on a great afternoon for football and after a good warm up the girls were ready to compete in the tournament. There were four teams and we came third, Eva and Daniela scored!

Story time and Cocoa Evening

A big thank you to all of the Nursery, Reception and Year 1 families who attended our story time and cocoa evening. It was lovely to welcome so many of you, we hope you enjoyed it. It was a big success! Look out for future events.

Year 6 parents evening

Just a reminder for **Year 6 children**. The **Parents Evening** will take a place on Thursday 4th April between 1PM and 6.30PM.

Please contact your child class teachers if you still haven't made an appointment.

Year 2 trip to city center

Last week Year 2 went on a walk to Peterborough Town Centre as part of their topic on buildings. The children looked at all the different types of buildings, thinking about what they were made from and what they were used for. They also got to practice their photography skills!
